

Jacobsen elektro was established in 1891 as an electro-technical company. Today Jacobsen Elektro AS delivers and installs most types of high voltage equipment including control and protection systems, HFO / diesel generation plants and turnkey building or refurbishment of transmission / distribution stations. The main markets are Africa, Eastern Europe and Asia. The Head Office is located at Lier outside Oslo. **Jacobsen Uganda Power Plant Company Ltd**, a fully owned subsidiary of **Jacobsen elektro**, owns and operates a 50 MW Heavy Fuel Oil power plant outside Kampala, Uganda on a BOOT basis. **Jacobsen elektro** is currently considering several new projects which will include ownership and management of power plants.

Technical Manager

Jacobsen elektro / JELCO – Operations

In order to strengthen our organization we are seeking a Technical Manager with extensive experience from operating power plants (LFO / HFO operated engines and gas turbines) or marine operations.

You will report to the MD and will co-operate with local management of our operating units and will be our interface towards Jacobsen elektro on technical issues.

Areas of responsibility:

- Actively follow up existing business, secure high technical standards in our operating units, compliance with relevant regulations and standards and efficient operation.
- Represent owner towards local authorities and clients on technical matters.
- Assist Jacobsen elektro in development of new projects.
- Act as owner's representative during construction / establishment of new operations.

We offer:

- A challenging position in an international environment

Education and Experience:

- +10 years of relevant technical experience
- International experience, preferably from developing countries
- Higher technical education

Personal Qualifications:

- Excellent interpersonal and communication skills
- Strong and professional negotiation skills
- Structured and analytical, ability to understand complex processes
- Personal integrity
- Ability to adapt to new situations

General requirements:

- Written and verbal fluency in English – and preferably in French
- Strong motivation and drive
- Ability and desire to travel 60–90 days per year

Location:

- Lier, Norway

For further information please visit our web site www.jel.no or contact Nils Arne Nessiøy, tel. +47 916 74 741
All contacts will be handled confidentially until otherwise agreed. Initially, we would like a brief application with your CV. Certificates and testimonials will be requested at a later stage.

Applications should be submitted as soon as possible and latest within **15th May 2009** to nan@jel.no.
